

6.0 CONSULTANT RECOMMENDATION

Based on the information and environmental analysis contained in the Initial Study and Environmental Checklist, we recommend that the Town of Mammoth Lakes prepare a Mitigated Negative Declaration for the Holiday Haus Project. We find that the proposed project could have a significant effect on a number of environmental issues, but that mitigation measures have been specified that would reduce such impacts to a less than significant level. We recommend that the second category be selected for the Town of Mammoth Lakes' determination; refer to Section 3.3, Lead Agency Determination.
